

Colorado Gives Day is one of the most important opportunities of the year for Thompson Education Foundation. To make the biggest impact, we're asking each board member to take one simple but powerful action: create and share your own [ColoradoGives.org](https://coloradogives.org) fundraising page to support Thompson Education Foundation.

Each year that TEF has participated in Colorado Gives Day, the foundation has exceeded its fundraising goal! For 2025, we are asking each board member to raise \$500 by sharing TEF's fundraising page with their individual networks to help us reach our fundraising goal of \$10,000. WE CAN DO IT!!!

Why This Matters:

- Supporters are far more likely to give when asked by someone they know and trust
- Each board-led page shows our community that our leadership is personally invested
- Peer-to-peer fundraising consistently raises 30% more than organizational pages alone

It's Simple!

- We provide the ask-template communicating TEF's mission and fundraising goal
- You make any edits or additions you'd like to include on your individual page (or no changes at all!)
- You send the link out to your network through email and social media
- Support for TEF pours in 😊

As a board member for [Thompson Education Foundation](#), I am committed to supporting TEF's mission to provide *exceptional educational experiences for students and teachers in Thompson School District*. Colorado Gives Day is one of the most important opportunities of the year for TEF to raise money that will directly benefit and impact students and educators.

TEF has participated in Colorado Gives Day since 2023, and each year the foundation has exceeded its fundraising goal! As a board member, I am excited to keep that momentum alive and I'm asking for YOUR help! My personal goal is to raise \$500 towards the foundation's goal of \$10,000. Will you help me reach that goal?
