

GREAT IDEA Grants

What are GREAT IDEA Grants?

Thompson Education Foundation (TEF) awards GREAT IDEA Grants to staff to implement an innovative project in education and instruction to enhance the learning experience of students in Thompson School District. A teacher or professional staff member may be selected to receive a grant of up to \$2,000 for implementation during the 2023-2024 school year.

When do I apply for a GREAT IDEA Grant?

The GREAT IDEA Grant application window is open Monday, August 14 to Sunday, October 1, 2023, at 11:59 p.m. Grant winners will be notified in early December 2023. Award funds will be made available for project implementation starting in January 2024.

GREAT IDEA Grants will not be given for the following:

- General operating support for existing projects or programs (significant expansion of current projects or programs may be considered)
- Capital improvements to district facilities or equipment
- Textbooks (unless a specific volume is inherent to the overall project)
- Teacher training or professional development
- Teacher salaries or extra duty contracts
- In general, GREAT IDEA Grants will not be awarded to fund programs, projects or activities that would usually be considered a normal operating expense for the schools

What criteria are used for reviewing GREAT IDEA Grant applications?

- Unique and dynamic educational experiences that support student achievement or well-being
- Impact on higher level thinking skills: creativity, critical thinking and/or problem solving
- Clarity of objectives
- Clear and measurable project evaluation
- Detailed and itemized budget including item descriptions, amount needed and cost per item

- All grant requests must be received by the deadline: **Sunday, October 1, at 11:59 p.m.**
- All grant projects must adhere to district policies and procedures. Projects are reviewed for safety and legal concerns and may be denied based on either of these criteria.
