Ticketed event with single-level sponsorships available

TEF's proposed **Education After Hours** event is conceived as an annual stakeholder gathering to report on past performance, financial health, and future strategic initiatives. The event will include networking time, a possible giveaway and feature a "State of the Foundation" report.

Key Elements of the Evening

- **Impact Review:** Highlight grants and scholarships awarded, funds raised, and major milestones achieved over the previous year
- **Future Outlook:** Outline upcoming strategic goals, priority funding areas and new events and initiatives (Field Day, EFTC, etc.)
- **Stakeholder Engagement:** Serve as a networking and convening platform for donors, partners, community leaders and board members
