What motivates your interest to serve on the Thompson Education Foundation board of directors?

I have a deep interest in ensuring children are provided every possible opportunity during their time in pre-k-12 public education. I believe in supporting educators to be able to pursue their craft and provide enriching experiences for them and their students. I was one of the founders of the fund honoring the legacy of Dr. Stan Scheer and have a personal interest in ensuring its continuance. TEF is a well respected and well-managed agency of which I would be proud to be a part.

Meetings are typically held monthly on the 3rd Tuesday of the month from 4:15-5:30pm. Would you be able to attend the meetings regularly?
